148 **Numbering Claims -- Corrected**

149 Claims 32-49 (previously shown as claims 29-46) were objected to under 37
150 CFR 1.75(d)(1), wherein the numbering of the claims was incorrect. Applicant
151 would like to apologize to the Examiner for the Examiner's inconvenience and
152 confusion. The numbering is corrected.

153 The claim number of the independent claim referred in each dependent claim is
154 also corrected accordingly.

159 grammatical error is corrected by amending to the phrase "one or more arm joint
160 wrinkles".

161

162 **Indefinite Expression -- Corrected**

163 Claims 32 (previously 29) and 34 (previously 31) were rejected under 35 U.S.C.

164 112, 2nd paragraph since the phrase “said wrinkle of a second length” lacked
165 antecedent basis. The phrase is corrected to “a wrinkle of a second length”.

171

172 **Conditional Request Constructive Assistance**

173 Applicant has amended the claims so that they are proper, definite, and define
174 novel structure which is also unobvious. If, for any reason this application is not
175 believed to be in full condition for allowance, applicant respectfully requests the
176 constructive assistance and suggestions of the Examiner pursuant to M.P.E.P. §
177 2173.02 and § 707.07(j) in order that applicant can place this application in
178 allowable condition as soon as possible and without the need for further
179 proceedings.
